## EDUCATION

- 2025-2030 (Expected) **University of North Carolina at Chapel Hill (UNC), Chapel Hill, NC**  
Ph.D. Student in Education (Learning Sciences and Psychological Studies)  
**Advisor:** Dr. Matthew Bernacki
- 2021-2024 **Central China Normal University (CCNU), Wuhan, China**  
M.Ed. in Psychology  
**Thesis:** *The effects of viewing perspective in learning from instructional videos which demonstrate a step-by-step procedure*  
**Advisor:** Dr. Fuxing Wang
- 2017-2021 **Central China Normal University, Wuhan, China**  
B.S. in Psychology with Honors

## PUBLICATIONS

## HONORS & AWARDS

### Received at University of North Carolina at Chapel Hill

|      |                                   |
|------|-----------------------------------|
| 2025 | Doctoral Merit Award              |
| 2025 | The Graduate Student Support Fund |
| 2025 | Charles Templeton Scholarship     |

### Received at Central China Normal University

|                  |                                                                                                                                 |
|------------------|---------------------------------------------------------------------------------------------------------------------------------|
| 2023             | Second Class Scholarship                                                                                                        |
| 2022             | Outstanding Graduate Scholarship (Third Prize)                                                                                  |
| 2021, 2022       | First Class Scholarship                                                                                                         |
| 2021             | Merit-based Admission Scholarship                                                                                               |
| 2021             | Outstanding Graduates Award                                                                                                     |
| 2020-2021        | National Undergraduate Training Program for Innovation and<br>Entrepreneurship & Student Research Training Program (10,000 RMB) |
| 2018, 2019, 2020 | Merit Student Award                                                                                                             |
| 2019-2020        | Undergraduate Student Research Training Program (2,000 RMB)                                                                     |
| 2018, 2020       | Boya Scholarship                                                                                                                |

## SERVICES

### Mentoring

|              |                                        |
|--------------|----------------------------------------|
| 2026-Present | Mentor, 1 Hour Project                 |
| 2025-2026    | Mentor, NextGen Psych Scholars Program |

### Editorial Experience

|           |                                                                                                                  |
